

Meet Me 🙋🏻

My name is AL Adams and I am 20 years old and from Europe. I Currently live in, Murfreesboro, TN. As a Christian, my faith is the cornerstone of my life. It shapes my values, guides my decisions, and provides me with a sense of purpose and hope. Through my relationship with Jesus Christ, I strive to live a life of love, compassion, and service to others, reflecting the teachings and example of Christ in all that I say or do.

The Opportunity

I am writing to share an exciting opportunity and to invite you to join me on this journey. In August, I will be entering an intensive 10-month discipling and mission experience that combines both classroom learning and real-life application designed to equip me with the skills and knowledge needed to make a meaningful impact in our communities and beyond. EnterMission will involve intensive training, mentorship, and hands-on mission work. It is not just about gaining knowledge, but about transforming lives and spreading the love and teachings of Jesus Christ. As part of this journey, I will be working with various Christian non-profits in the United States as well as serving overseas for over three months.

The Challenge

I am stepping out in faith by dedicating 10 months of my life to follow Jesus in a radical way and I can not do it without your prayer and financial support. Just as missionaries do, I will be raising \$1300.00 a month which will cover all courses, food, housing and travel experiences. *More importantly, it will enable me to fully immerse myself in this life-changing experience and make a positive difference in the lives of others.* Your donations are tax deductible and you can give either a one-time gift or a recurring monthly donation.

“ — EnterMission

EnterMission is a commitment for young adults to dedicate 10 months of their lives to learn how to be the hands and feet of Jesus in both local and overseas settings.

It's about learning resilience and dependence on God. It's a hands-on approach to ministry formation; a trade-school of sorts that not only benefits our students, but the churches they will return to upon graduation.
