EnterMission

Date : August 2025 - May 2026

Location: Johnson University, TN

Support needed: \$1,200 per month

What is EnterMission?

It is a commitment for young adults to dedicate 10 months of our lives to learn how to be the hands and feet of Jesus in both local and overseas settings.

It's about learning resilience and dependence on God. It's about receiving the most up-to-date training in discipleship that requires time, energy, & a willingness to be molded as we live and work in community.

It's a hands-on approach to ministry formation; a trade school of sorts that not only benefits the students but the churches we will return to upon completion of the program.

How to Support

Most importantly, I need your prayer support. Please pray that God will guide me in this experience and make my path clear.

Like any missionary, I need to raise my own support. I must raise \$12,000 plus the cost of my international plane ticket to cover all living & travel expenses for ten months. Would you prayerfully consider partnering with me either with a one-time gift or a monthly donation? All donations are tax-deductible.

You may write a check payable to "ICOM" with "EM Malia Woods" on the memo line and mail it to: International Conference of Missions, 95 E County Road 1000 South, Clayton, IN 46118. You may also give online by going to www.entermission.org, clicking "Donate", then selecting my name under the "Student" dropdown menu (further down the screen). Thank you for your support!

Who Am I?

My name is Malia Woods, and I am a member of Journey Church in Versailles, Kentucky. I am the daughter of Jamie & Penny Woods and a graduate of the Frankfort Christian Academy.

A few of my passions are singing, photography, and learning about history. Through this program, along with Christian service, I hope to find my path to use my skills and passions to glorify God in my career.

Itinerary

In August, I'll be studying at Johnson University preparing for two ministry experiences. I will also be traveling throughout the U.S. with the EnterMission group, working in several ministries serving people in different groups.

After Christmas, I will travel internationally where I will be immersed in mission work by serving alongside established missionaries for four months.
