What is EnterMission?

- It is a commitment for young adults to dedicate 10 months of their lives to learn how to be the hands and feet of Jesus in both local and overseas setting. Its about learning resilience and dependance on God. It's about receiving the most up-to-date training in discipleship that requires time, energy and a willingness to be molded as they live and work in the community. It's a hands-on approach to ministry formation; a trade school of sorts that benefit not only our students but the churches they will return to upon completion.

Chris Irwin
EnterMission Director.

Who Am I?

- Hi! My name is Mia Lane. I'm a daughter, a sister, a coworker, and a friend. However, most importantly, I'm a daughter of the King with the heart to serve in His Kingdom.

My Path?

- I have been called into ministry, specifically missions, since I was 14 years old. From September to November of 2024, I stepped out in faith according to my calling. I lived abroad in the country Sri Lanka interning with missionaries and experiencing life as an on the ground missionary. This experience lit a fire within me, and in my search for the next steps, after the internship, I discovered EnterMission at ICOM (International Conference on Missions).

My Desire?

- My desire is to follow the calling that the Lord has placed on my heart. I desire to spread the love of Jesus Christ to the nations and continue to see a revolution happen across the globe.

My Itinerary?

- Starting in August, I will be living on the Johnson University campus where we will attend Entermission classes and learn from amazing teachers. Also during this time we, the EnterMission team, will travel on American soil to work with multiple ministries already established and serving here. We alternately travel and learn during the first semester. Some of these ministries are as follows: New International, ICOM, Appalachia Christian Services, DC Capital Hill Impact, and Forgotten Ministries. After the Christmas break, I will be embarking with the group overseas to do on the ground mission work, alongside already established missionaries there, for four months!

How can you help?

- My first task is to raise support. I need to raise \$12,000 plus the cost of my plane ticket. This cost will cover all meals and travel expenses during the 10-month experience. I cannot do this alone, and I need your help! I ask that you prayerfully consider joining me on this wonderful experience, and the journey that comes after! I need prayers more than anything that The Lord would open my eyes to things he wants me to see and my heart for his desires for my life. However, financial support is absolutely vital as well! If you would like to support me and donate, then there are multiple options! You may write a check payable to "ICOM" with "EM Mia" written on the memo line and mail it to: International Conference of Missions (ICOM), 95 E County Road 1000 South, Clayton, IN 46118. You may also give online by going to www.entermission.org then click the "Donate" button and selecting my name under the "Student" dropdown menu (further down the screen). You may either make a one-time gift or contribute on a monthly basis through the website.
